DIRECT PUSH MESSAGES

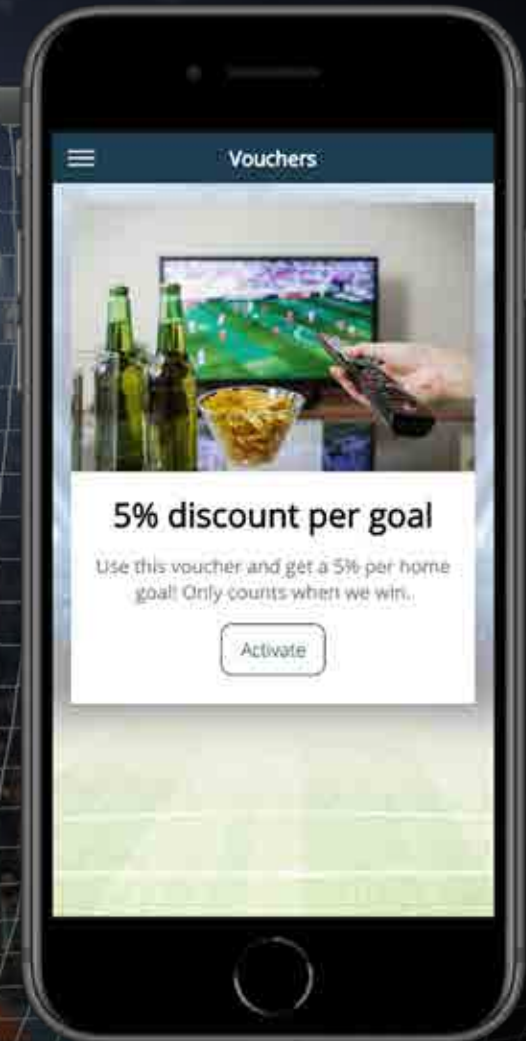

In addition, make sure that you stay involved with your clients on the sidelines. This is also made possible by the EC2021app. With the EC2021(euro2020) APP you can send direct 'push messages' before, during and after the European Championship 2020 and matches. You determine the message and determine when it should come in to the users. Ultimate interactive direct marketing to your customers.

SEND VOUCHERS WHENEVER YOU WANT

Do you also want to commercially excite and challenge your customers. This can be done in a simple way by creating vouchers. Just so or depending on the match and prediction results, you can easily send 'electronic vouchers' to your customers. You determine the offer, text and matching visual or photo, and send the voucher when you want it. The voucher then appears in the app (possibly prior by a push message).
